Instructions for Completing the Racial/Ethnic Data Form

- ✎ The sponsor should complete this form for each site every year. Sponsors of residential camps must collect this information for each camp session.
- ✎ The sponsor may use visual identification to determine a participant's racial/ethnic category. A participant may be included in the group that he/she appears to belong, identifies with, or is regarded as a member by the community.
- ✎ Each participant should be counted under only one category; the total number of children marked under the racial/ethnic categories should equal the total number of participating children in attendance on the day the form is completed.
- ✎ The sponsor must retain racial/ethnic data for 3 years and must safeguard this information. Access to Program records containing racial/ethnic data should be limited to authorized personnel.
